PROFILE SUMMARY

An enthusiastic and professional UI Developer, with more than four years of experience in UX Design & UI Development, enjoys being part of a successful and productive team, and thrives in highly pressurised and challenging working environments. Quick to assimilate new ideas, concepts and cutting-edge technologies while demonstrating a logical and analytical approach to solving complex problems and issues.

I am passionate and skilled in the areas of UI design and development with experience building Web applications & portals using XHTML, HTML5, CSS3, AJAX, JQuery, and PHP & MySQL.

EMPLOYMENT

LOGICGET TECHNOLOGIES
